General Data Protection:-

For our full data protection statement please visit our web site at www.fhvc.org.uk. Data use is as follows

1:- Your Details will be stored on a secure database held by our Data Protection Officer/Membership Secretary.

2:- Name and address will be shared with the SVVF and their printers for the issue of the SVVF Annual Year Book.

3 Issue of the KLAXON (our monthly newsletter) and any other club information being sent to members.

4:- Any request for information/contact between members must be sent to the Membership Secretary who will make initial contact to protect confidentiality.

Please note if you are attending a Club Stand at a rally you may be required to supply information (such as your name, make, model, year and registration of your car and your home town) to the person organising the club stand. In these circumstances the FHVC is unable to take responsibility for the management of this information

I AGREE to my details being held for the above purposes.
