### *Get involved – Join the Club*

Fife Historic Vehicle Club members own or have an interest in a variety of older or classic motor vehicles from the 1920s to the 1980s. These can range from mopeds to double-decker buses. We hold regular monthly meetings, with outdoor runs in the summer and indoor events or visits in the winter. During the summer months, the club organizes evening runs, and Fife residents will no doubt have seen from time to time a short cavalcade of older vehicles making their way through Fife towns and villages. The KLAXON is our monthly newsletter which contains details of club events and forthcoming activities. There are articles submitted by members on all things, these can be technical in nature or just plain amusing stories. Our Club website: [www.fhvc.org.uk](http://www.fhvc.org.uk).

Our major annual event is the Festival of Historic Transport which takes place in June at the Scottish Vintage Bus Museum at Lathalmond by Dunfermline. The FHVC is a member of the Scottish Vintage Vehicle Federation.

Club membership costs £10 per annum (cheques payable to F.H.V.C.). To join, or to renew membership, please complete this form:
